

3rd & 4th Grade Virtual Book Club

Week 2 Lightning Girl

Week 2 Information and Videos

Quick reminder that we are meeting Friday, 9/25

I wanted to send a quick reminder to everyone about our Book Club that started this week. The first three videos have been posted on our website at www.hveslibrary.weebly.com. I've also included links at the bottom of this newsletter. Start listening now and join us on Friday at 2:45 for our introductory book club meeting.

At our meeting we will be going over what book club will be like, learning a little bit about the author, Stacy McAnulty, and talking about the first chapter. So don't worry if you can't listen to all the videos before Friday, just make sure to listen/watch video 1.

What Are The Benefits to Reading 20 min a Day?

All of our videos are at least 20 min. so you can get your 20 min./day of reading in! This graphic shows how important those 20 min. are! Reading benefits ALL aspects of school and life.

Are Audiobooks Cheating?

Parents often wonder if listening to an audiobook, or a book read aloud, is it as beneficial as reading the actual book. Lots of research has been done in that area and the benefits are numerous!
